The Semi-Finalist Judges will judge each eligible entry on the Finalist Criteria below. The 20 entries with the highest aggregate scores based on the Finalist Criteria will be deemed the semi-finalists and immediately move on to the Finalist Round of judging.

For Finalist Round: All semi-finalist entries that are in compliance with all terms and conditions of these Rules will be judged on the basis of the following criteria (the "**Finalist Criteria**"), each of which will be given equal weight:

The 4 semi-finalist(s) with the highest aggregate score will be selected as the finalist winners.

In the event of a tie, the Presiding Judge's (for the finalist round) score shall determine the finalist winner(s). If a tie remains at that point, the entry that received the highest score in the Finalist Criteria of Innovation and Inventiveness shall determine the finalist winner(s).

The finalist winners will be notified by email within two days of selection of the finalist winners. Each finalist winner will be awarded only the prize(s) for which that finalist winner was selected, as described below. Following confirmation of finalist winner eligibility and signing of the winner's declaration, Sponsor will announce finalist winners on or around November 6, 2015.

COMPETITION OFFICIAL RULES

Sponsor will establish a panel of four (4) individuals (each, a “**Grand Prize Judge**” and together with the Semi-Finalist Judges and Finalist Judges, the “**Judges**”) with experience in product design, product development, or start-up ventures.

One Grand Prize Judge will be named by Sponsor as the Presiding Judge for the grand prize round at the beginning of the grand prize round.

Selection of Grand Prize Winner: The full panel of Grand Prize Judges will apply the Grand Prize Criteria to evaluate the finalists by assigning a value between 0-10 to each Grand Prize Criteria for each finalist. In the event of a tie, the Presiding Judge’s (for the grand prize round) score shall determine the winner(s). If a tie remains at that point, the entry that received the highest score in the Grand Prize Criteria of Innovation and Inventiveness shall determine the grand prize winner(s).

The Grand Prize winner will be notified in person during Autodesk University, Las Vegas of selection of the winner. Substitute Judges and Disqualification: The Judges have the right to disqualify any entry that is not in compliance with these Rules. In the event that a winning entry is disqualified, the next-highest scoring entry will be selected as the alternate winner. In the event that one or more of the identified Judges are unavailable, Sponsor reserves the right to substitute Judges of comparable qualification, to be determined by Sponsor in its discretion.

THE NUMBER OF “LIKES” EACH ENTRY RECEIVES ON THE SPONSOR SITE IS NOT ONE OF THE CRITERIA USED BY JUDGES TO SELECT THE FINALIST(S) OR WINNER(S). THE DECISIONS OF SPONSOR AND THE JUDGES WILL BE FINAL. SPONSOR WILL NOT CORRESPOND WITH ENTRANTS ABOUT THE DECISIONS OF THE JUDGES OR THE DETERMINATION OF THE WINNERS OTHER THAN AS EXPRESSLY PROVIDED IN THE RULES. The Competition is entirely skill-based and contains no Criteria based on chance. The standards applied during the judging process focuses on assessing each entry’s properties. By the mere submission of an entry, an entrant acquires no automatic right to be awarded a prize.

Size of Entry Pool. Winning entries will be selected by the Judges in accordance with the Criteria as described in these Rules. The chances of any entry winning a prize depends on the number of eligible entries received between the Start Date and the Deadline and the quality of that entry as compared to the other eligible entries, as evaluated by the Judges in the manner described above. Sponsor does not know in advance the number of eligible entries that will be received.

If any entry contains the name, voice, likeness, image or written or spoken words of any third party, the entrant must obtain the third party's written consent to include such materials in the entry prior to submitting the entry.
6. Prize Terms. All values are stated in United States Dollars (USD). If a stated prize is unavailable, Sponsor has the right to substitute one or more items of equal or greater value, in its discretion. No prize is, and the winner(s) have no right to claim that any prize is, exchangeable, transferable, or redeemable for cash. The winner(s) will be solely responsible for all expenses related to the receipt and use of all prize(s) other than those expenses expressly included in the description of the prize(s) in Section A above. The winner(s) will be solely responsible for complying with any and all applicable statutes, laws (including, without limitation, common law, if applicable), rules and regulations and for bearing any personal income tax, VAT, withholding taxes, customs duties, or other taxes, fees, insurance, surcharges or other costs relating to receiving, claiming or collecting any prize.
